

SOUTH CITY EARLY LEARNING CENTER

WHAT TO KNOW

EMPOWERING FUTURES

South City Foundation and Leon County Schools are excited to bring you and your family a new early learning option to the neighborhood! The South City Early Learning Center is now accepting enrollment for children six weeks to 3 years old.

An excellent early learning education gives children a strong start toward a successful future. These programs promote healthy development in your child, creating the building blocks they need early in life to be healthy, happy young people later. With an early learning education, children can enhance social skills like problem-solving and language while boosting their social and emotional growth through peer interaction. Children gain confidence and develop a positive attitude toward learning, which helps them transition smoothly into school and achieve better academic outcomes. These programs are a valuable resource to parents, too! The South City Early Learning Center will be open Monday-Friday from 7:30 am-5:30pm.

WHO IS THE SOUTH CITY EARLY LEARNING CENTER FOR?

We are proud to call South City home and are excited to welcome families from the neighborhood and all Tallahassee families.

The center offers space for babies from 6 weeks to 3 years.

WHAT WILL BE AVAILABLE TO YOUR FAMILY?

The South City Early Learning Center will be staffed by highly qualified early childhood education and learning specialists who are loving and passionate about working with little ones. The center will have a low student-to-teacher ratio and a family navigator to connect you with resources to enhance your child's learning outside of school and connect you to resources and supports that ensure the success of the whole family.

WHAT WILL IT COST?

\$1000/infant and \$800/child per month

This center accepts Early Learning School Readiness vouchers and provides scholarships to families needing assistance.
